SafeBreast web page outline and user interface

The plan for the website

Inspiration for example

- Myles and Maria to create the icon, color codes, simple backgrounds and animations for the website
- Christian and web developer to create user interface and full website
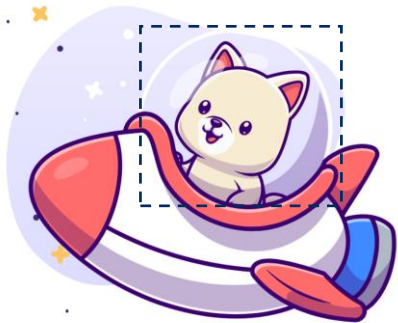

- Icon is being created by Maria, in addition to some poses

- We will also be needing the color, background and logos in animation. Myles and Maria in combination to help here
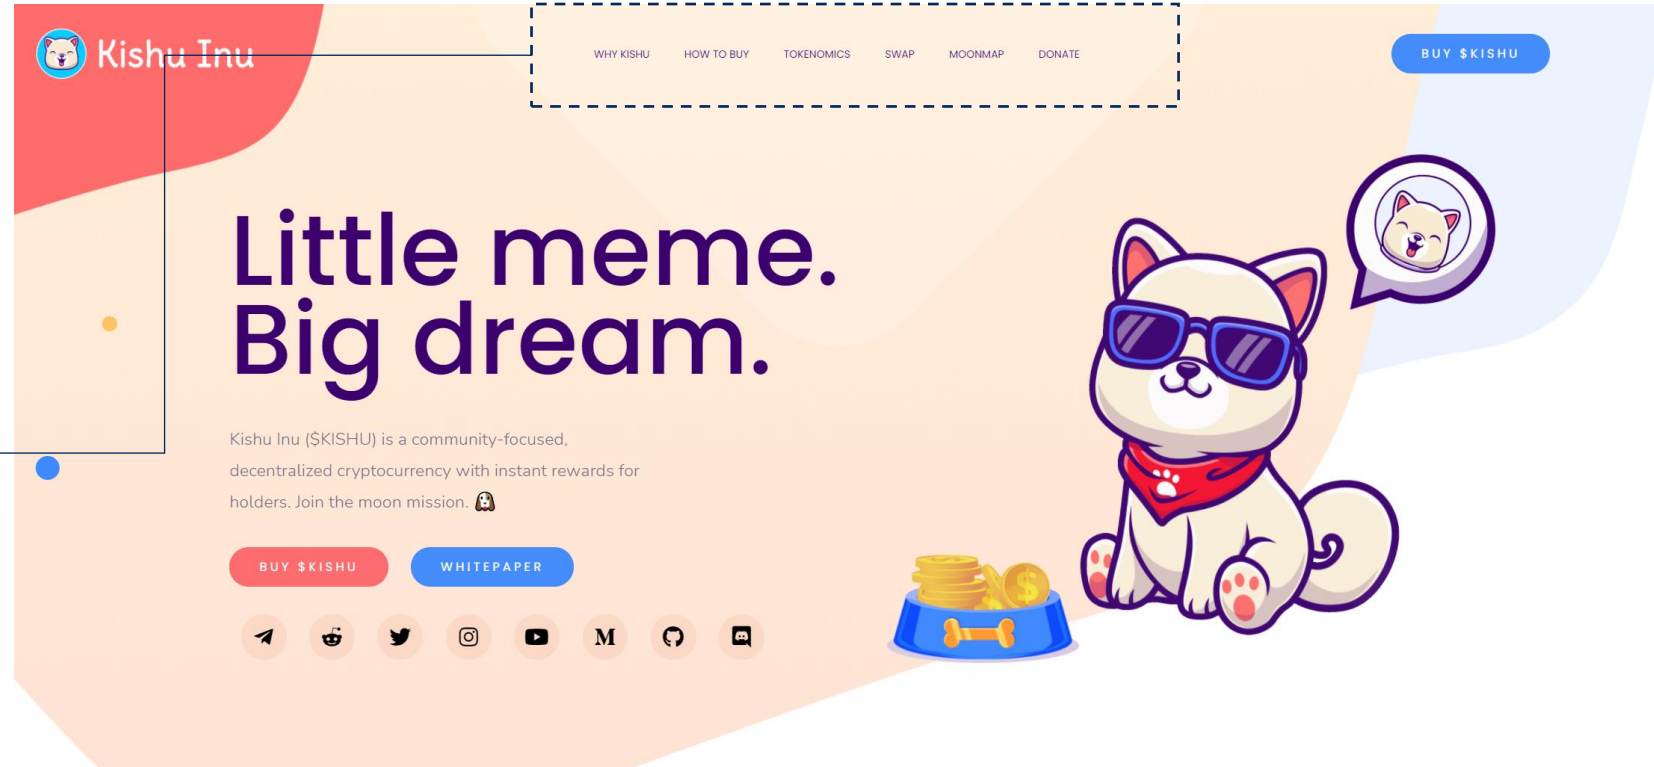

Coming soon page

Inspiration

- Maria to create Character in a cool pose

- Link to uniswap, dextools, etherscan

- Link to all socials – telegram, twitter, discord, medium, reddit, Instagram, github

- Text large: Breasts safely to the moon. Coming soon..

- Text small: SafeBreast ($BREAST) is a charity-oriented, community focused decentralized cryptocurrency with instant rewards for charities and holders.
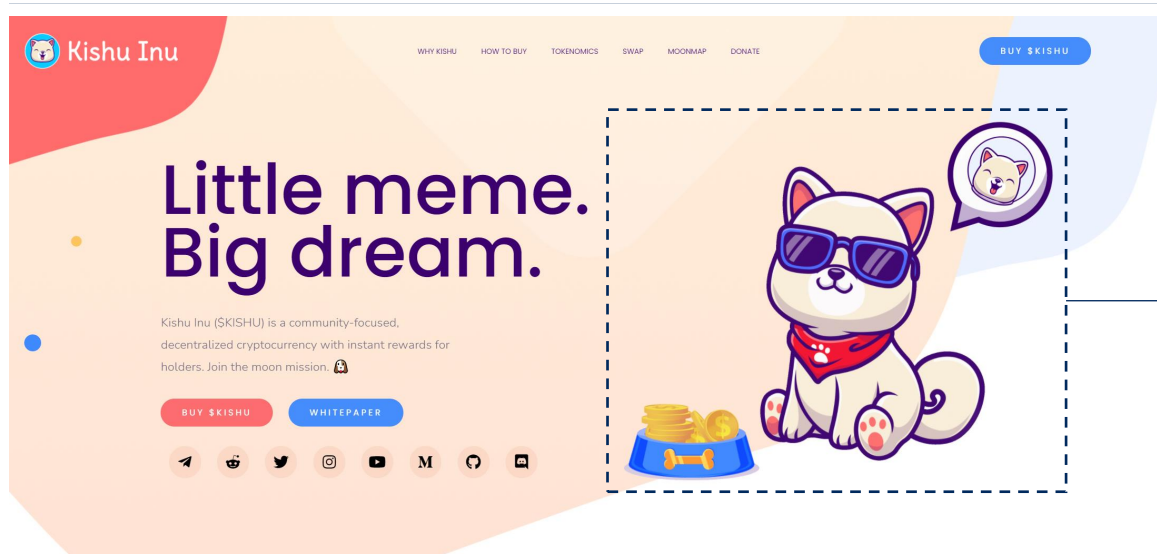

- Illustrator to create loading dog

Table of contents for full website

1. Intro page (no need to incl in table of contents

2. WHY SAFEBREAST

3. HOW TO BUY

4. TOKENOMICS

5. SWAP

6. MOONMAP

7. CHARITY

8. FAQ

Page 1. Intro page (very similar to coming soon page)

Inspiration

- Maria to create Character in a cool pose (same as coming soon page)
- Include "Buy SafeBreast" and link to "whitepaper"
- Link to all socials – telegram, twitter, discord, medium, reddit, Instagram, github
- Text large: Breasts safely to the moon.
- Text small: SafeBreast ($BREAST) is a charity-oriented, community focused decentralized cryptocurrency with instant rewards for charities and holders.
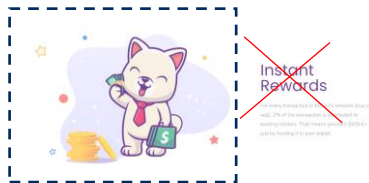

- Maria to create loading Icon
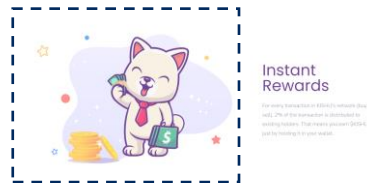

Page 2: Why SafeBreast

Slide 1

Slide 2

- Text: Charity Contribution
  - For every transaction in the SafeBreast network (buy or sell), 2% of the transaction is automatically converted to ethereum and can be donated without needing to sell safebreast – (LINK TO CHARITY WALLET)
- New icon to symbolize giving away to breast cancer
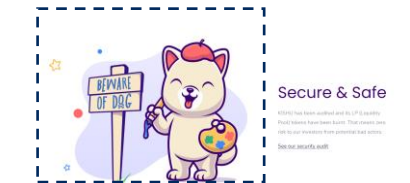

Slide 3

- Text: Instant Rewards
  - For every transaction in the SafeBreast network (buy or sell), 2% of the transaction is distributed to existing holders. That means you earn $SAFEBREAST just by holding it

Slide 4

- Text: Community Powered
 - (Something similar, great with link to telegram)

Slide 5

- Text: Secure & Safe
  - (Something similar, great with link to security audit) – CL is getting code audited as we speak and should be done well before website launch

Page 3: HOW TO BUY

Inspiration

- Lets make two of these with a two buttons above
  - Metamask button: will show exact same as this
  - Trustswallet button: will show the same steps as this but with the trustwallet logo
- Exchanges will only include uniswap for now and SafeBreast Swap

Page 4: TOKENOMICS

Inspiration

- Maria to create something
- $BREAST TOKEN SYMBOL
- 2% donated PER TRANSACTION
- 2% rewards PER TRANSACTION
- 2% + liquidity PER TRANSACTION
- 1 Trillion TOTAL SUPPLY
- XXXX HOLDERS
- XXXX MARKET CAP
- XXXX CURRENT PRICE
- Price chart (link to dext tools)

# Page 5: SWAP

Inspiration 1

Inspiration 2

- Maria and Myles to create a fitting background
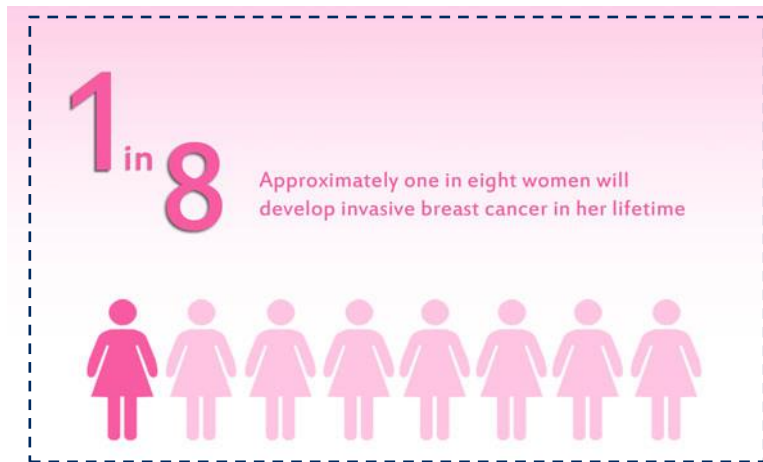

Page 5: MOONMAP

Inspiration

- Maria to create something
- Christian to provide text for road map, it is ready

Page 6: CHARITY (three slides, similar to WHY SAFEBREAST)

Slide 1: THE CAUSE

- One in eight women will develop breast cancer in their lifetime

- Maria to make something for this one? Maybe our character x8 one of the characters with who sticks out as 1/8 with breast cancer? Could be powerful

Slide 2: WHAT WE ARE DOING

- Page showing how much we have donated, how much our charity wallet is worth in $BREAST and our target of USD 10m

- Maria to create a pose for our character with hearts? Symbolizing us giving away

Slide 3: FEEL LIKE DONATING?
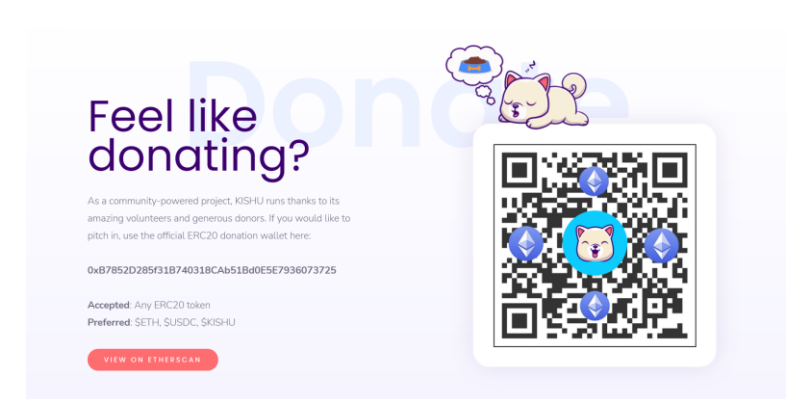

- Almost exactly like this linking to our charity wallet and our marketing wallet

- Maria to create smaller icons that are representitative

Page 7: FAQ

Inspiration 1

Have Any Questions?

Frequently asked questions (FAQ) or Questions and Answers (Q&A), are listed questions and answers, all supposed to be commonly asked in some context

? What is HOKK?	→
? Where can I hold HOKK?	→
? How can I ensure I'm eligible for 2% ARF Rewards?	→
? What are gas fees and why are they so high?	→
? How can I keep my account safe?	→
? Is HOKK on Binance Smart Chain (BSC)?	→
? Why am I getting an error when trying to buy on HOKKX or Uniswap?	→
